

Mr Mohamed Eldolify, currently a Senior Clinical Fellow in Plastic Surgery at Imperial College London, is an International Medical Graduate (IMG) from Egypt. With over 4 years in the UK healthcare system, Mohamed has amassed invaluable experience and insights into the unique challenges and opportunities faced by IMGs and Locally Employed Doctors (LEDs). As the former lead of the Trust's IMG programme at Buckinghamshire Healthcare NHS Trust, he implemented a suite of targeted initiatives aimed at this underrepresented group, including an IMG specific induction programme, a dedicated online resource hub, high-fidelity sims and communication masterclasses, and initiated a dedicated IMG peer-support scheme.
